

2026 Parade Theme

Life, Liberty and The Pursuit of Fish

Dear Parade Participants,

Welcome to Port Fish DayS 2026

This year's Port Fish Days Parade celebrates Life, Liberty & the Pursuit of Fish, honoring 250 years of the United States of America alongside over 60 years of Port Fish Days tradition. From patriotic pride and historic moments to lake life, fishing fun, and classic Fish Days flair, we invite parade participants to decorate their floats with bold red, white, and blue—adding a splash of creativity that reflects both our nation's story and the joy of this beloved community celebration. Let your float capture the spirit of freedom, fun, and Fish Days pride!

We are looking forward to this year's Fish DayS parade. If you have any questions, please reach out to the parade committee at fishdayparadecrew@gmail.com. Thank you for your participation.

Sincerely,
Port Fish DayS Parade Committee
